PRE-APPLICATION QUESTIONS

Please email the below to alex.truman@gov.im along with your C.V/Personal Statement
Subject: Digital Isle of Man Board EOI

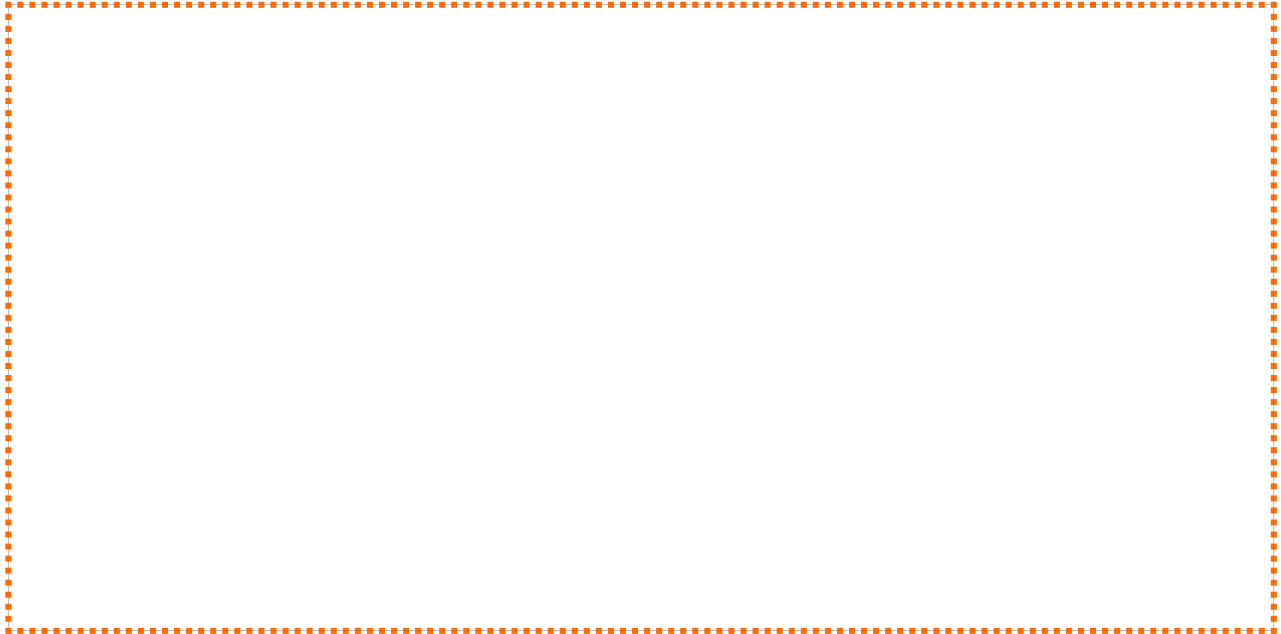

- 1** What past board experience do you have (if any)?
Please provide a list of current and past board positions

- 2** The Digital Isle of Man board members act as sector champions for their specific industry in and out of the board room. As a conduit between the public and private sectors, each board member seeks to achieve our shared vision of truly becoming a centre of excellence for digital industries.

What value would you bring to the Digital Agency outside of board meetings?

3 Each of our board members brings with them a whole host of skills and experience in their relevant industry. We believe that for our board to be successful, that a diverse range of skills and practical experience is essential.

What skills and experience would you bring as a board member, including that in the digital sector (or wider business)?

4 Digital Isle of Man supports and actively seeks to develop a broad range of digital industries alongside our longstanding and successful eGaming sector. A key focus for us is to build on our successes and continuously apply best practice for the diversification and betterment of emerging industries. Beyond eGaming, our current propositions include FinTech, the Smart Island programme, Esports, and creating a new proposition for emerging trends – including Data Stewardship and Artificial Intelligence.

What do you see as the key opportunities for the Digital Agency in current or emerging tech industries?

5 At Digital Isle of Man we remain committed to our continued development and welcome feedback in any form.

What do you believe the Digital Agency could do better?

6 Community and industry outreach is very important to Digital Isle of Man as we look to support our sector and develop our propositions.

How would you look to engage with the wider digital sector?
